 Summer 2025 [Download PDF version](#)

We would love to welcome you to our unique Indian Tearoom. Whilst our old building cannot accommodate a ramp we aim to be accessible to all other forms of disability. If you can transfer with sticks you can park a mobility scooter or wheelchair outside.

Toilet

We do have a small toilet at the back that is accessed by two steeper steps but does have a handrail. There are accessible toilets at the Wakemans Arms and a Changing Places Toilet at the bus station, both a short walk from the café.

Safe Space

If you need some space around you and a quieter have a table for two in the window that has more space than the other tables, and is near the door if you need to step outside to take a break. Please ask ahead to reserve this table.

Atmosphere

We have a very friendly and relaxed atmosphere which ensures you can enjoy quiet conversation. This means we do not play background music. We also have good but low-level lighting.

How Can We Assist You?

If you know that you might need assistance moving between tables please let us know. A member of staff will be happy to support you.

If you, or someone you are dining with, has communication or social needs please let us know so that we can ensure you have as comfortable and relaxed a dining experience as possible.
